"magentizable" to -- magnetizable --

In line 1 of claim 40 correct the spelling of
"permenant" to -- permanent --

Authorization for this examiner's amendment was given in a telephone interview with Donald R. McPhail on 11/04/04

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The instant application has been deemed directed to a nonobvious improvement over the inventions in prior Leady et al patents. The improvement comprises an electrode and composition having a plurality of magnetic particles in a binder, wherein a portion of atoms within the magnetic particles have magnetic moments aligned and retaining the magnetic alignment after the magnetic field is released sufficient to alter the distribution of products resulting from a chemical reaction involving the magnetic particles or occurring within the surrounding area of the magnetic particles.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on

CONCLUSION

The claims are 1 to 56.

- All claims have been allowed.
- The Information Disclosure Statement has been received and considered.
